## About Eco Crafters

### **Handcrafted from the Heart of India**

Eco Crafters, a brand of Elite EXIM International, was founded with a simple yet meaningful vision—to bring the timeless artistry of Indian craftsmen to homes and businesses around the world. Based in India and deeply connected to the rich handicraft traditions of Jodhpur, Rajasthan, we specialize in handcrafted wooden trays, chopping boards, stools, and home décor products that blend heritage craftsmanship with contemporary design.

At Eco Crafters, every product tells a story. Behind each piece are skilled artisans whose families have preserved traditional woodworking techniques for generations. Their dedication, precision, and creativity transform natural wood into functional works of art that reflect the cultural richness of Rajasthan while meeting the quality expectations of global markets.

### **The Founder's Vision**

Eco Crafters was established by the founder of Elite EXIM International with the belief that authentic Indian craftsmanship deserves a wider global presence. The vision is not only to export handcrafted products but also to create sustainable opportunities for artisan communities by connecting their skills with international buyers. Through ethical sourcing, quality-focused manufacturing, and long-term partnerships, the company aims to preserve traditional craftsmanship while supporting modern economic growth for local craftsmen.

### **The Legacy of Jodhpur Artisans**

Known worldwide as the “Handicraft Capital of Rajasthan,” Jodhpur is home to some of India's most talented woodworkers and craftsmen. For decades, artisans from this historic city have been creating exquisite wooden products admired across international markets. Their expertise in carving, finishing, polishing, and handcrafted detailing is reflected in every Eco Crafters creation.

Our products are crafted using carefully selected wood and traditional techniques passed down through generations. The result is a collection that combines durability, functionality, and timeless beauty while maintaining the authenticity of handmade craftsmanship.

### **Our Commitment**

At Eco Crafters, we are committed to delivering products that represent quality, sustainability, and genuine Indian artistry. Every item is created with attention to detail, export-quality standards, and respect for the environment. By choosing Eco Crafters, customers become part of a journey that supports skilled artisans, preserves cultural heritage, and promotes responsible craftsmanship.
